

## FEE-BASED SERVICES

### *DIVORCE & SEPARATION SERVICES*

#### **Divorce and Separation Group**

A 6 week group for children, youth and parents to understand the impact of separation and divorce. Parents learn about the impact of separation and divorce on their children, and children/youth learn how to cope with the changes that occur. Participants learn and share with others in an atmosphere of respect and confidentiality. Children and youth are in their own groups with others of similar ages. Children/youth groups run at the same date and time as the parent groups.

**Fees: Parent & (1 or 2) Children \$180 (3 or more) Children \$200  
Parent Alone - \$100**

#### **Parent and Child Reconciliation Counselling**

Reconciliation counselling offers a divorced/separated parent who has not seen their child(ren) for a period of time, or children who are resisting visits an opportunity to re-connect and re-establish a relationship in a supported, neutral, and safe environment. Custody or access must have been agreed on and/or court ordered.

**Retainer: \$475 Fees: \$170 administrative charge, \$95/hour**

#### **Family Mediation**

Family mediation services offer parents an opportunity to work with an impartial trained family mediator when a marriage breaks down, to identify and resolve outstanding issues. A mediator can help families resolve such issues as parenting arrangements, child custody and access, child support and spousal maintenance, and property issues. The goal is to come to a mutual agreement that best meets the needs of the family. Family mediation does not deal with fault, find blame, give legal advice, or make decisions for others.

**Fee: \$95/hour**

#### **Individual Counselling**

One to one, couple or family counselling is available with a trained clinician to assist children, parents or families to cope with the stresses of raising a family.

**Fee: \$95/hour**
